Foreword

The American heritage is a rich and bountiful one. Included is the privilege of every American to attend public school. Within the covers of this annual is a story, the story of Friona's students. Every student herein depicted, whether in picture or in words, has left his footprints on the sands of school history. This means he owes to the community which made his school life possible. We desire to impress every reader with the social and scholastic activities around which a student's day is centered. As a reader turns from page to page, we hope he will catch a panoramic view of our school system and the way young Americans enjoy the American way of life.

Editor and staff

In Dedication — Clyde Weatherly

As we look back on the life of Clyde Weatherly, we see a man filled with laughter and the spirit of students.

There are only pleasant recollections for those who knew him: A personality that illustrates to all the inspired accomplishments of a lifetime and a man who truly loved sports and gave them his total support. He was a man whose zest was felt as he served as secretary of our school board for five years.

Mr. Weatherly always had a deep-felt love for young people of all ages. He exemplified this feeling as a school teacher, a coach, and later as an official of young people's sports.

Because of his devotion to our school and community as a whole, we gratefully dedicate the 1970 Chieftain to Clyde Weatherly.

The Friona School Board gives the student of today as well as those of tomorrow a better chance to grow in a well organized school system. With the enrollment of the Friona public schools reaching an all-time high, the qualities of reliability and leadership are a necessity. These responsible men have many important decisions to make during the course of a school year. Their programs, policies, and hard work have offered many opportunities to the students and faculty of Friona High School.

Superintendent of School

Mr. Farr, our superintendent, has all the material for making a great and better school.

Counting money seems to make Mrs. Jennings happy.

Mr. Farr is kept busy signing important papers of the school.

High School Principal

The day the door swung open to the students marked not only a beginning but also the culmination of many days of preparation by Raymond Cook. Despite all preparation success in the pursuit of excellence was dependent on the proper response from both the community and the professional staff. No one knows better than Mr. Cook, that the concern of the parents and students is necessary for a fine school system.

Mr. Cook has given many years of service to our school, made thousands of decisions with the finest of professional wisdom.

Mrs. Brown is always busy as Mr. Cook's secretary.

Mr. Cook takes time out from his busy schedule to pose for the camera.

F.H.S. Counselor

Here we see Mr. Duggins relaxing while using his famous "disappearing fishing rod"

Mr. Duggins has become a fixture that we all look for upon arriving to begin a new year. He is not only looked upon as an advisor but also as a trusted and loyal friend.

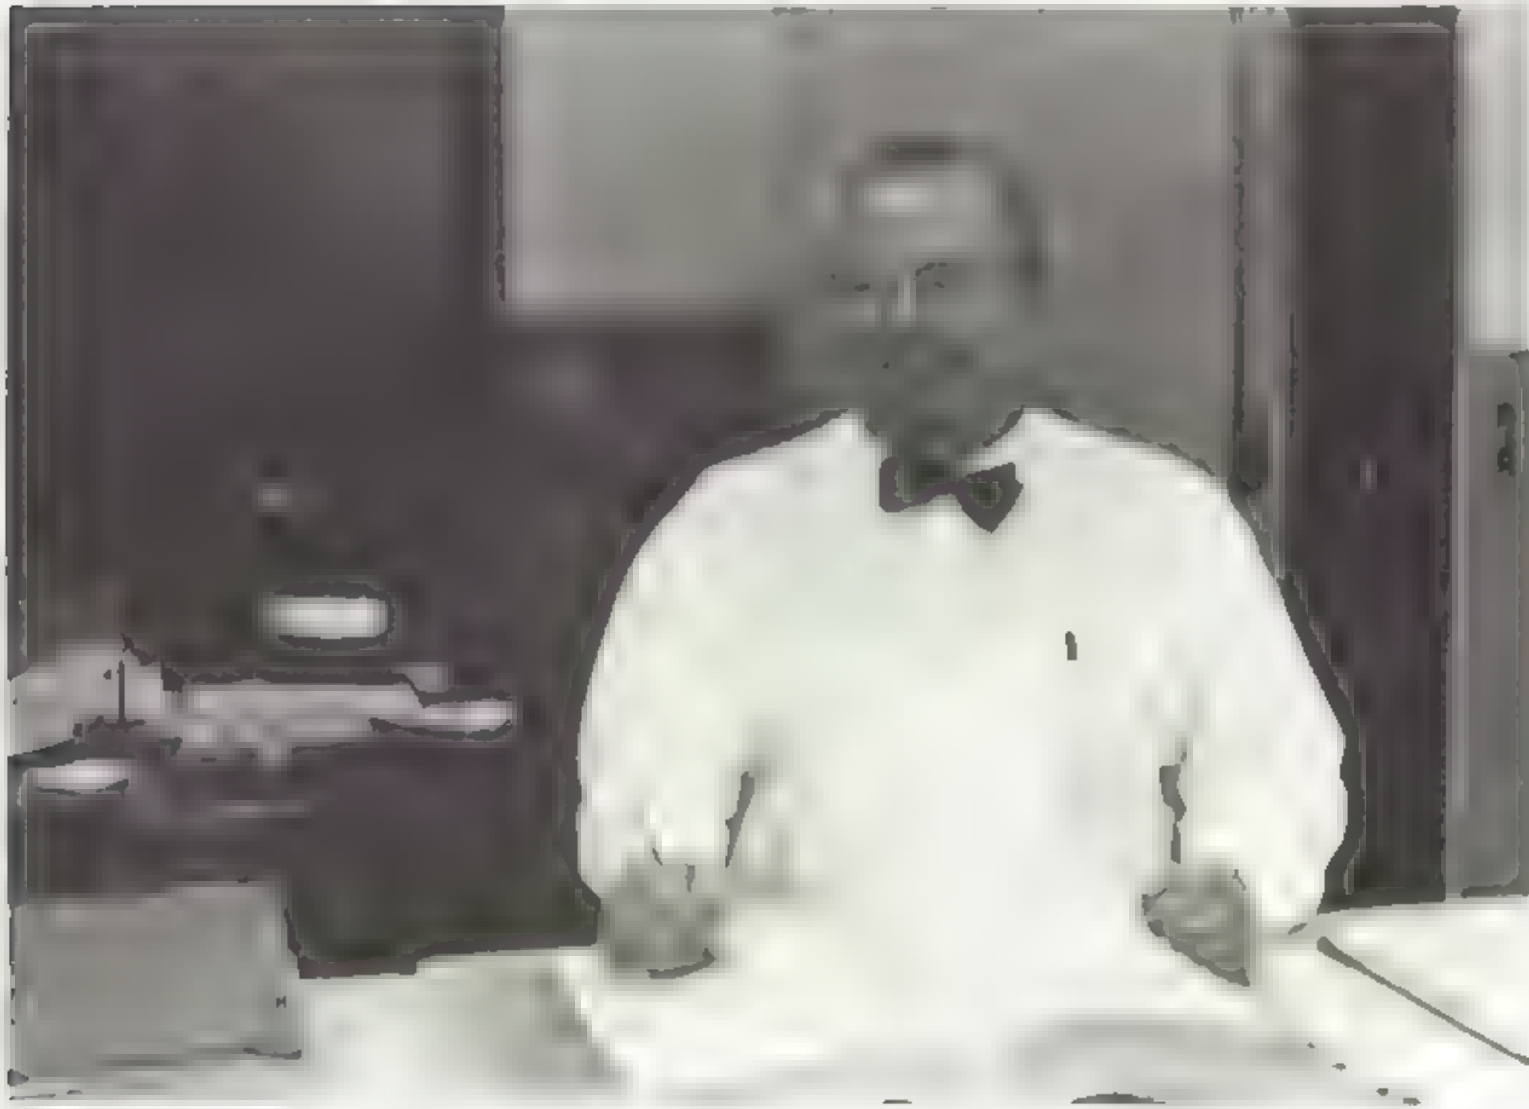

'Tis the man at work. If we could see the other half of this picture we'd know just exactly what kind.

Mr. Duggins can be found in this position quite frequently. His advice and counsel are in constant demand here. For his willingness to help those who ask his help, we say a special thanks.

Tax Assessor and Collector

Fine schools are representative of a fine community. Mr. Porter Roberts makes his contribution to our school by helping collect and assess the local taxes.

It is through responsible citizens who work and pay their taxes that make it possible to build schools such as we have in Friona.

Mrs. Morrow, Mr. Robert's secretary, looks about as wide awake as everyone feels.

Mr. Roberts works diligently.

Cafeteria Ladies

Mrs. Davis, our Cafeteria Manager.

Mrs. Seale prepares for the noon rush.

The Service Personnel of our school are probably given the least credit for the valuable service they perform at F.H.S. Their duties are the basic functions of the school. Their vital services keep the school running from day to day. The cafeteria ladies and custodians make F.H.S. a better place for us all.

High School Cafeteria Ladies: Mrs. Jones, Catherine Bailey, Lottie Cochran, and Barbara Williams.

Custodians

JR. HIGH CUSTODIANS. Clarence Ashcraft and Daniel Hodgson.

ELEMENTARY: Denver Smith and Travis Light.

Fred Lloyd, Emmett Barry, and Herry White are our High School custodians.

The Student Faculty Congress is the representative body in our high school. It strives to achieve an atmosphere in which the student can find stimulation in both school studies and school sponsored activities.

The S.F.C.'s main goal is to unite the faculty and students through a system of cooperation between the two groups.

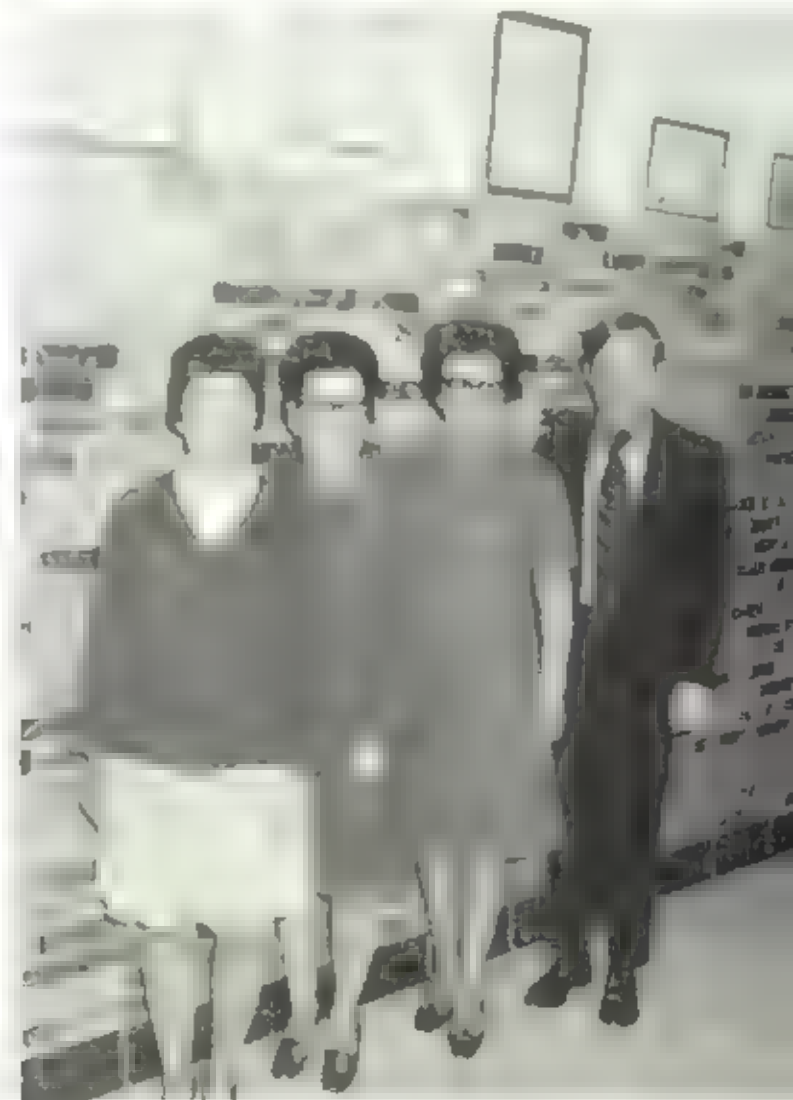

Also, the S.F.C. sponsors fund raising activities such as the March of Dimes Basketball game cafe auction, the S.F.C. Luncheon, and Homecoming activities. All in all, the S.F.C. is a vital and worthwhile part of Friona High School.

The Miller-Wilson Chapter of the National Honor Society is, as the name implies, an honor organization rather than an activity club. The object of this chapter is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students of Friona High School.

Membership in this chapter is based upon Scholarship, Service, Leadership, and Character.

They are required to maintain a scholastic average of 90 with twice as many A's as B's. Active membership consists of candidates from the junior and senior classes, and the sophomore candidates are normally on probationary membership.

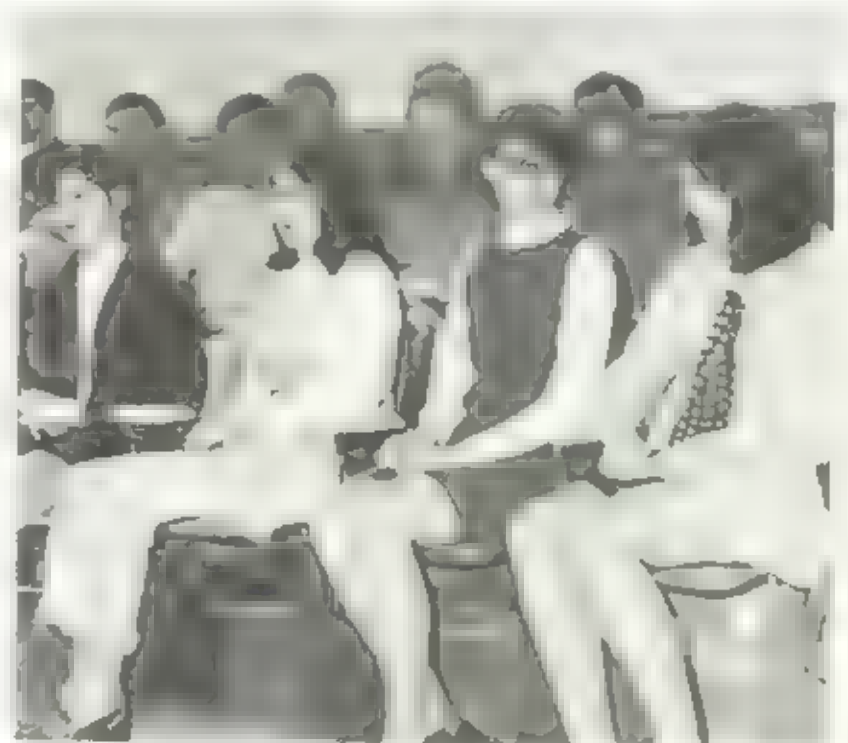

The members of this organization must strive to serve as examples to the student body; therefore, they should be leaders in every way.

"Occasionally" N.H.S. members do not pay strict attention to their president.

At least some of the members know the answer!

"Don't worry, it'll be over in a few minutes."

The Ethel Benger Chapter of the Future Teachers of America was organized to give members an opportunity to explore the field of teaching.

In order to accomplish this, the organization has a working agreement with the administration and faculty whereby members aid and work under the direction of faculty members in various ways designed to give realistic classroom experience. FTA members also aid in back-to-school night activities, teachers' meetings, and Christmas activities.

As a future teacher one is able to see and understand the teaching profession much better and help to decide what phase of teaching one wishes to enter.

The purpose of the club is to make the study of Spanish more realistic and enjoyable by association of Spanish customs and surroundings. The organization finds the Spanish atmosphere present in their studies. The members enjoy their conversations in Spanish and are often found speaking Spanish in their social activities.

Spanish Club officers are: (l-r) Petra Marteniz President, Nora Marteniz Secretary-Treasurer, Jessie Morales Vice President.

Mrs. Mercer is another of the school employees that perform a valuable service but receive little recognition.

The annual staff would like to take this opportunity to express our appreciation to Mrs. Mercer for the time and effort she has given us.

Are Sheila and Sally really discussing debate?

Give it expression, Carleen!

Don't feel bad Mr. Hodgson, she scares us too!

The forensics teams of Friona High School were organized in 1963. This organization increases the student's interests in fields beyond the normal educational level.

It takes many hours of practice to develop the skills which are acquired in this organization. F.H.S. is proud of the teams and the records that they have made during the past year.

The basic goal of the D.E.C.A. and V.I.C.A. Club of Friona High School is to prepare for leadership and better acquaint the students with the world of work. We accomplish this goal by learning more of the sales profession and industrial trade. In D.E. and I.C.T. our main objective is to promote salesmanship and industrial skills for the betterment of America.

We attend area meeting once a year and participate in Skills Contest. The winner of the Area Contest is eligible for the State Contest.

Arrow Staff

The Arrow Staff works hard to keep the students up-to-date with all the activities which take place during the school year. Mr. Morgan and the staff spent hours of hard work to make the Arrow a better paper. This year's paper included top-rate photography and many laughs. Due to budget problems the staff was forced to raise the prices and sell ads, in order that they would have enough funds to put the paper out every other week. Everyone appreciates the efforts of the staff this past year.

In Dedication — Becky Broyles

SOMEWHERE

In memory of—Becky Broyles

by Mildred May

Somewhere—beyond these dark clouds there must
be

Sunshine and peace—where Becky's gone. If we
could see,

I think she'd smile and tenderly she'd say,

"I know dear ones, you miss me so today,

But please don't grieve too much and just be
glad

God gave to me my Christian Mom and Dad

Who taught me how to live—and how to die,

Gave me the best in life they could supply,

Yet, for my good, withheld those things not best.

Then, oh my friends, with which my life was blest,

And all my loved ones, dry your bitter tears;

Though brief my life, if we count time by years,

Life, as a vapor, swiftly fades at best.

Soon you, as I, from all earth's cares shall rest,

So daily learn to live—and how to die,

For we can be together by and by;

While here—beyond those dark clouds I'll await

And meet you Somewhere—near the open gate."

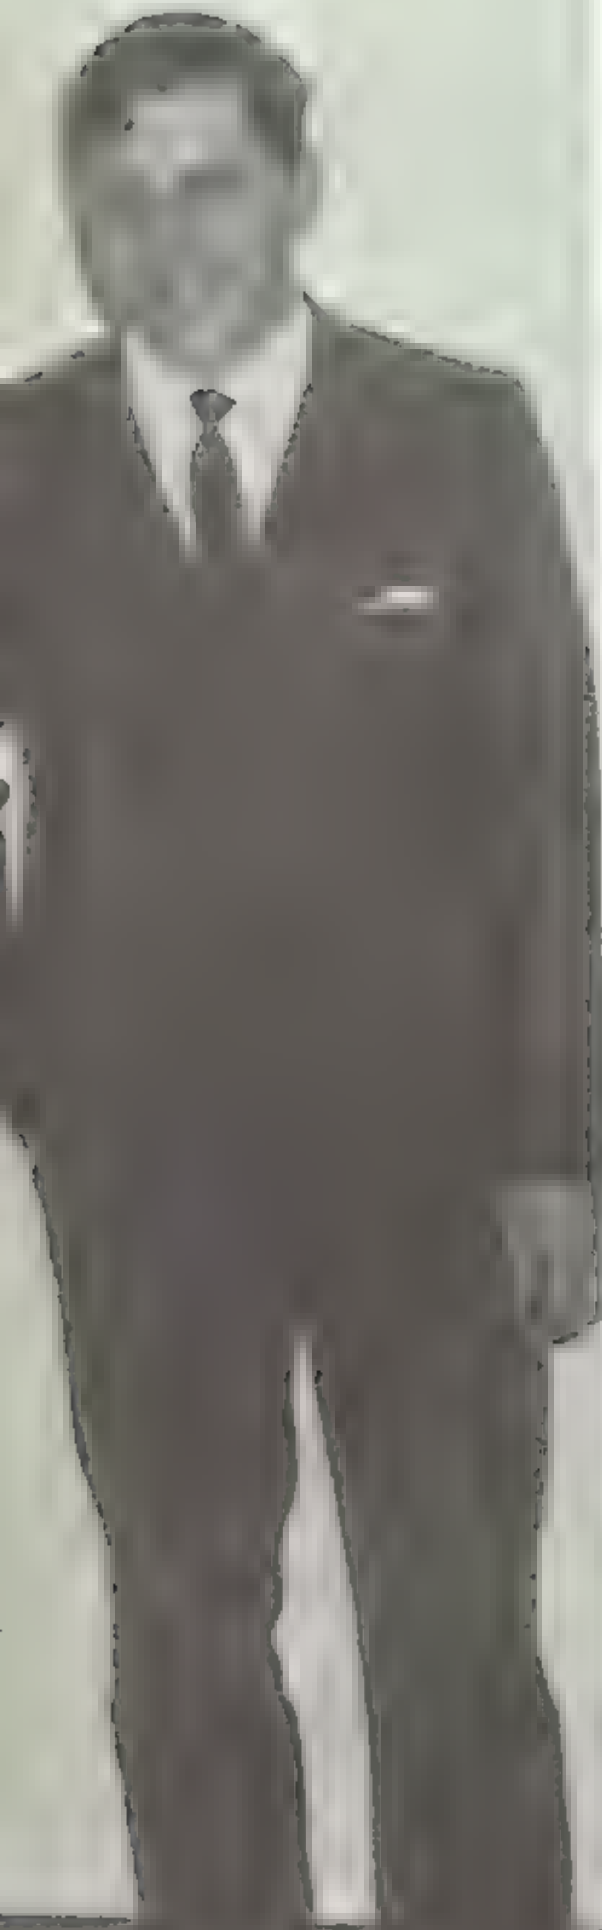

In
Dedication:
Billy
Rushing

Of the three elements which make up a school—faculty, students, administration—one's fellow students are the last to be forgotten. A fellow—one who completes the multitude of details of daily school life, one who becomes a vital part of the school, one who contributes his spirit, vitality, concern and skills to the betterment of the school life—is unique and can't be forgotten. Determination, courage, energy, enthusiasm, confidence, are irreplaceable and they shouldn't be forgotten, in order that they be remembered we proudly dedicate this book to Billy Rushing.

FARWELL 34—FRIONA 0

The Friona Chiefs started the season off on the wrong foot as the passing game of the Farwell Steers proved to be too much for the Chieftain defense. The Chiefs continually stopped the Steers on the ground, but the Steers completed 14 of 27 passes, mostly on crucial third downs. Despite the score each team rushed for the same amount of yardage.

Run Wesley, it's catching you.

The Chiefs move in tight to stop Farwell.

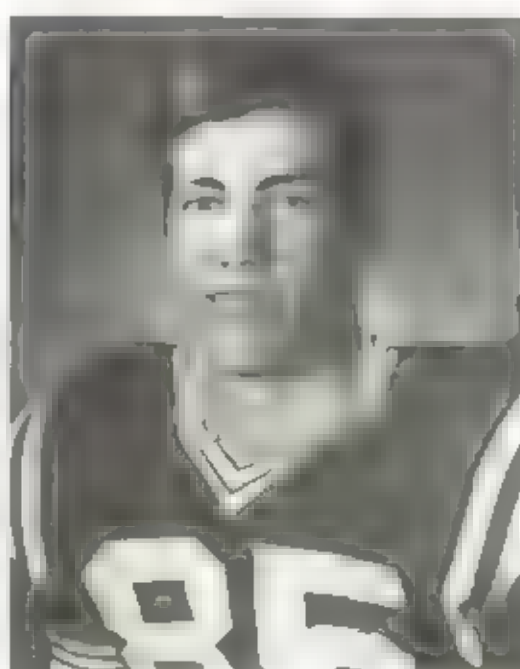

FRIONA 10—MORTON 0

The Chiefs finally realized that it was time to play football and rolled over the Morton Indians 10 to 0. Isidore Cordova scored from one yard out in the second quarter and Donny Carthel kicked the extra point. Carthel also added another three points with a 33 yard field goal to round out the Chieftain scoring.

FRIONA 21—TUCUMCARI 14

Isidore Cordova, with 247 yds. rushing and 3 touchdowns, led the Chiefs to a 21-14 victory over the Tucumcari Rattlers. The line did a fantastic job of blocking as the Chiefs amassed 330 yards on the ground. Carthel converted after all three touchdowns as the Chiefs turned in an excellent performance for the second week in a row

FRIONA 0—DIMMITT 27

The Bobcats had all the breaks in this game and they took advantage of them as they beat the Chiefs 27 to 0. Dimmitt scored on two long runs and a blocked punt which they recovered in the end zone. They also scored after recovering a fumble inside the Chieftain 10 yard line. The teams each had 12 first downs and other than the two long runs, Friona outgained the Bobcats.

Danny, who intercepted seven passes during the season, returns one against Hale Center.

FRIONA 6—LOCKNEY 39

Lockney broke Friona's "One Point Victory Jinx" which had beaten the Longhorns five years in a row. They did it in high fashion by beating the Chiefs 39 to 6. The Chiefs only score came on a 28 yd. pass from Kendrick to Raymond Hamilton. Twenty-six of Lockney's points were scored in the last two minutes of the first half. Other than that the teams played on even terms.

FRIONA 14—HALE CENTER 6

The Chiefs pleased their homecoming crowd at Friona by downing the Hale Center Owls 14 to 6. The Chiefs scored first on a keeper by Danny Kendrick and Carthel's kick made it 7 to 0. The Owls came back and scored but the Chiefs broke through to block their extra point. The score remained 7 to 6 until late in the game when Sophomore Bill Bailey scored on a one yard run. Carthel added the PAT and the Chiefs had their third win of the season.

The undefeated Whirlwinds were scared by the upset-minded Chiefs as Friona led 8 to 0 at the end of the first half. Friona scored on Kendrick's sneak up the middle and Cordova's extra point run. The Winds decided they couldn't run against the Chiefs' defense and scored all their points in the second half on passes. The final score was 24 to 8, but Floydada went home as battered winners.

FRIONA 21—CROSBYTON 29

The Crosbyton Chiefs upset the Friona Chiefs 29 to 21 despite Friona's late rally in the fourth quarter. Cordova scored two touchdowns and Kendrick managed one. Ted Procter ran for two extra points and Cathel kicked the other for the Chiefs' scoring.

FRIONA 0—OLTON 6

Although Olton was favored to beat Friona by 25 points, the Chiefs held them scoreless until they managed a TD with less than a minute remaining in the game. The Chiefs hurt themselves by fumbling four times and having four passes intercepted. The Chiefs rushed for 40 more yards than Olton but fumbled each time they got in scoring range. After the Mustangs scored the Chiefs marched to the 18 yard line and then the clock ran out.

FRIONA 9—ABERNATHY 7

The Chiefs closed the 1970 season by upsetting Abernathy 9-7. The Antelopes scored first despite a strong rush on their quarterback. The Chiefs were all over his back but he got the pass off to Ron Harkey, who was wide open, for the score. The Chiefs came back. Don Carthel kicked a 31 yard field goal. The Chiefs moved the ball all night. Rick Davis had 104 yards, Donnie Lewellen 84 yards, and Ted Procter 77 yards, to lead the Chiefs. Lewellen scored from the one to give the Chiefs their lead. The two-point conversion was stopped and the Antelopes marched to the 1-yard line and Ted Procter broke up the last pass to end the season.

PRACTICE MEETS PREPARE TEAM FOR DISTRICT

Keeping in shape for district competition in spite of the temperamental and changeable Texas weather has been the main objective of the tennis team this year.

Led by coaches Miss Morton and Mr. Allsup much time was spent practicing serves, ground and net strokes, and strategy. Two Practice meets with Hereford gave the team experience and hope for the District meet.

Returning lettermen were Jerry Shelton and Bill Ruzicka in boys' doubles, and Norman Mohr in boys' singles. Also Randie Kelly was on the team as the girls' varsity singles last year, but this year she has joined forces with Carleen Greeson to be the girls' varsity doubles.

The team is young with a large interest in the underclassmen. There is hope that they will be a strong Chieftain squad in the future.

Skip Mohr is the boys' varsity singles.

Jayn Massie is the girls' varsity single.

Bill Ruzicka and Jerry Shelton who won second in the District Competition show their true form.

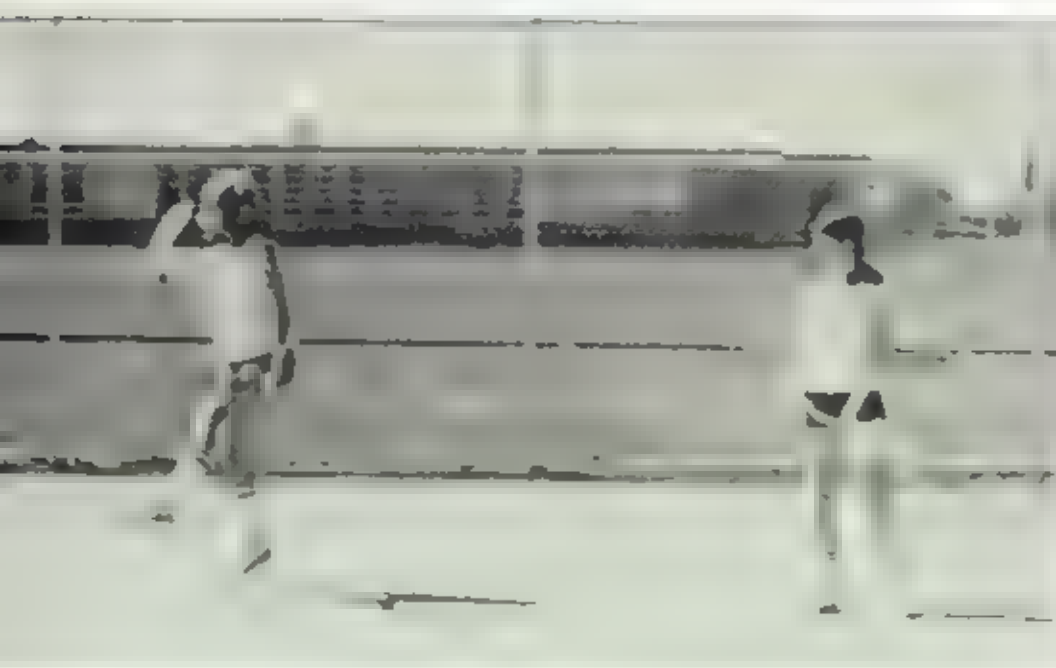

Randie Kelly and Carleen Gresson who also won second in District as the girls' varsity doubles.

Jayson Grimsley who was freshman boys' singles and Sharon Smith who was freshman girls' singles are shown here.

Football Banquet

Mrs. James Proctor talks of the success of the Chieftains from the viewpoint of the mothers of the Fighting Chieftains.

Donny Carthel receives the Fighting Chieftain award.

The natural enthusiasm of the Football Banquet was enhanced by the annual presentation of the Fighting Chieftain award to Donny Carthel and Isidore Cordova.

The evening was further enlightened by an entertaining speech given by Coach John Levra of New Mexico Highlands.

Everyone seems to enjoy the annual Football Banquet.

Coach Owen and Coach Dodd seem to be carrying on one of their many "interesting" conversations.

The Cheerleaders receive gifts from Mrs. Proctor for their hard work and great spirit through the entire football season.

A ROSEBUD PLUCKED TOO SOON

In memory of Paula Jan Dean

Of times we've seen a rosebud plucked
Before it was full blown,
Which, had it reached maturity,
A lovely rose, had grown.
Our hearts can find no answer when
They ask the reason why,
So like a rosebud, Paula,
In her tender years, must die.
Some things are not for us to know,
Some things we must endure,
Some things we cannot understand,
Of others we are sure.
These things are treasured in our hearts,
And shall forever be
Engraved upon the screen of time
That we call "memory";
Her laughter ringing through the halls,
Her ever smiling face,
Her generous praise of others,
(For envy had no place).

She dearly loved her teachers—
Classmates—she loved them all,
Enjoyed her music, yes and sports,
Especially basketball.
A Girl Scout—not in name alone
She lived the part in deed
Its facets held in honor and
Was loyal to its creed.
Paula was wise beyond her years,
Her faith in God was strong,
And she could place true values
Very well where they belong.
Perhaps,—unlike the withered one—
The rosebud plucked too soon—
Paula may wait somewhere, somehow,
Where she may be immune
From heartache and from every care
And like a dew-kissed rose,
In loveliness to blossom there
Forevermore—who knows!

Counselor

Understanding children is no easy task and often both teacher and parent need help. For this reason Friona has a grade school counselor. Mrs. Lucille Lewis enjoys helping students with their problems.

Librarian

Mrs. Jarboe occasionally receives help from Becky Neill who is a member of the FTA. Mrs. Jarboe helps students check out books for book reports. She is respected by all the students.

ELEMENTARY

Elementary Principal

To the students Mr. Gee is principal to, he stands taller than he is in reality; although he is fairly big in stature.

Mrs. Fangman is new to the Friona Public School System this year. Her smile, her sweet disposition, and her ability to get her job done well have made her an asset to us.

Mr. Gee has devoted many years of service to the Friona public school system.

He has helped mold and make the character of many people and for his help on the behalf of these we salute you, J. T. Gee, elementary school principal.
